Happy New Year!

You will need:

- | | |
|--------------|--------------|
| Paper Plates | Craft Sticks |
| Stapler | Markers |
| Popcorn | Glue Dots |

How to assemble:

Start by decorating the bottom of 2 paper plates using markers and any other supplies you have like stickers or colorful tape. Next, place a glue dot on one of the inside edges of the paper plate; place a craft stick on it and press down to secure. Now, add some popcorn kernels, beans, or uncooked pasta to the inside of the plate. Put the other plate on top and secure them together by carefully stapling around the rim of the plates. Now shake your noisemaker and ring in the New Year!
