APPROVAL/CONTRACT/TERRY HILL/RT 311 PROJECT

WHEREAS, Putnam County, through its Department of Public Works has determined that the intersection at Terry Hill Road and Route 311 would benefit from improvements consistent with and to accommodate the current traffic volume and patterns; and

WHEREAS, L.I.S.E.LLC a private developer, is seeking to improve the area in furtherance of its development project and accordingly supports this material improvement to the Terry Hill and Route 311 intersection to better accommodate the current traffic volume and patterns; and

WHEREAS, in consideration of the County's contribution for capital improvements and L.I.S.E.'s contribution toward right-of-way acquisition and design planning, the Administration, in accordance with applicable State and local law, has entered into negotiations with L.I.S.E LLC; and

WHEREAS, the Putnam County Law Department has prepared and the County Executive and L.I.S.E. LLC have executed a memorandum of understanding setting forth the terms of engagement between the parties, which is annexed hereto as Schedule "A"; and

WHEREAS, the Putnam County Law Department has also prepared a contract between the County and L.I.S.E, LLC which is annexed hereto as Schedule "B"; and

WHEREAS, the County Executive has requested that the Putnam County Legislature approve such contract; now therefore be it

RESOLVED, that the Putnam County Legislature has reviewed the memorandum of understanding between the parties, and has reviewed the proposed contract, and has considered the benefit to the County in improving the County intersection at Terry Hill Rd and Route 311; and

RESOLVED, that the Putnam County Legislature approves the contract between the County of Putnam and L.I.S.E. LLC, which shall be in substantial conformance with the form attached hereto and made a part hereof as Schedule "B", and that the Putnam County Executive is authorized to execute said contract; and be it further

RESOLVED, that the County Attorney is authorized to take whatever legal action is necessary to effectuate this contract pursuant to its terms, which are approved herein.

THOMAS FEIGHERY
COMMISSIONER OF PUBLIC WORKS

KEVIN M. BYRNE
PUTNAM COUNTY EXECUTIVE

TO: Putnam County Legislators
FROM: Thomas Feighery, DPW Commissioner
DATE: September 16, 2025

RE: *Confidential Designation Removed* Sought Approval/Contract/Terry Hill Rd - Rt 311 Project

My office, upon consultation with the County Law Department and the Department of General Services submits for legislative approval the proposed contract for improvements to the intersection at Terry Hill Rd and Route 311.

The County Executive has reached and signed a memorandum of understanding with L.I.S.E. LLC setting forth mutually agreeable terms of engagement. With those secured, the County Executive has authorized me to submit the proposed contract for your review, consideration, and approval.

I ask that this matter be added to the Physical Services Committee Agenda. John Tully and I will be available to answer any questions the legislature may have relative to this matter at that time.

Thank you.

Very truly yours,

A handwritten signature in cursive script, reading "Thomas Feighery".

APPROVAL - SEQRA DETERMINATION - NEGATIVE DECLARATION - TERRY HILL ROAD (CR 46) AND NYS ROUTE 311 INTERSECTION IMPROVEMENTS

WHEREAS, the Putnam County Legislature is considering the approval of a Putnam County Department of Public Works project that involves Intersection improvements including widening for turning lanes, drainage and related improvements, signalization, and pedestrian improvements at the intersection of NYS Route 311 and Terry Hill Road east of NYS Route 52 in the Town of Kent; and

WHEREAS, the purpose of the Project is to improve the safety and capacity of this intersection; and

WHEREAS, the proposed action hereunder is subject to review under the State Environmental Quality Review Act and the Regulations promulgated thereunder ("SEQRA 6 NYCRR Part 617"); and

WHEREAS, on March 4, 2025, as part of Resolution #25-52, the County Legislature issued an Unlisted Action determination for the above referenced project, and declared its intent to serve as Lead Agency with respect to SEQRA; and

WHEREAS, a short Environmental Assessment form (EAF) was prepared for the Project; and

WHEREAS, the EAF and associated documentation was circulated to all involved and interested agencies for the requisite 30 days with a notice of the Putnam County Legislature's Intent to Serve as Lead Agency and no objections were received thereto; and

WHEREAS, the Putnam County Legislature, acting as Lead Agency, conducted a coordinated environmental review in accordance with §617.6; and

WHEREAS, based upon a careful review of the action as a whole, of the EAF, and the criteria set forth in 6 NYCRR Part 617.7(c), it has been determined that the proposed Project will not result in any potential significant adverse environmental impacts; now therefore be it

RESOLVED, that the Putnam County Legislature, as Lead Agency, determines that the proposed Project will not have any potential significant adverse impacts and a Draft Environmental Impact Statement will not be prepared; and be it further

RESOLVED, that in accordance with 6 NYCRR Part 617, the Putnam County Legislature, as Lead Agency, hereby accepts and adopts the Negative Declaration prepared in connection with the Terry Hill Road (CR 46) & NYS Route 311 Intersection Improvements project, a copy of which is annexed hereto and made a part hereof; and be it further

RESOLVED, that this Resolution shall take effect immediately.
